Title	: Let's Talk! Planning Speaking Lessons (with integrated grammar)	
Traget Group	: English language teachers (grade 4 to grade 11)	
Domain	: Specialized Professional Practices	
Competency	: Plans for the teaching and learning process	
Objective	: Teachers will be able to plan speaking lessons ,that help improve learners' speaking skills.	
Description	<p>: Speaking is a life skill that is rather neglected in the classroom. Teachers need practical tips on how to plan lessons that help learners acquire speaking skills while improving their grammar. This workshop provides opportunities for teachers to:</p> <ul style="list-style-type: none"> - share the challenges faced in teaching speaking and grammar - reflect on lessons and tasks in order to derive speaking lesson objectives, framework and components - plan lessons that help improve learners' speaking skills, grammar, collaboration, critical thinking, problem solving, creativity, etc.
